

Greetings Your Royal Highness Archduke Christoph II,

We are honored by the current relationship between our two great nations. It is our highest hope that this relationship shall continue to flourish under current and future leadership. We, the people and Princes of Zimlandia, proudly recognize a defensive pact in which the following are met:

- We recognize the sovereignty of the Archduchy of Mimas and the legitimacy of its ruler, Archduke Christoph II.
- We declare to the world our friendship with this great nation. Let the world know of our collective strength, both as individuals and as partners.
- We promise to defend the Archduchy of Mimas against threats, both at home and abroad.
- We commit to a continued dialogue, and we wish to plant the seeds for further growth as nations.
- We humbly admit Archduke Christoph II into the Order of Saint Peter's Cross as a commander.
- We are committed to establishing an embassy in the Archduchy of Mimas.

With great pleasure,

HRH Prince Eric I of Eastlandia, Prince of Zimlandia &

HRH Prince William I of Westlandia, Prince of Zimlandia
